Bonus Points Earned _____

Total Points Earned _____

Youth are encouraged to participate in multiple project areas. Youth who demonstrate participation in at least TWO different project areas will earn an additional 3 points towards their total. Below is a list of eligible events for the Achievement Scorecard. If you attend a 4-H event that is not listed below and you would like to include it towards your total points, please reach out to Katelyn Hepworth of Melanie Ogan for approval.

Youth earn a 4-H pin based upon their activity participation. Awards will be given according to the following scale:

25 Points = Gold Pin*

20-24 Points = Silver Pin

15-19 Points = Bronze Pin

*Portfolio submission required to earn a gold pin regardless of point total. Scorecards submitted without a portfolio submission date at the county AND state level will not earn a gold pin.

The events listed below by project area are worth 1 point per activity.
